## ABOUT A.B. DATA

Founded in 1981, A.B. Data has earned an international reputation for expertly managing the complexities of class action administration in securities class actions, Securities and Exchange Commission (SEC) enforcement actions, and ERISA, consumer, antitrust, employment, civil rights, insurance, environmental, wage and hour, and other class action cases. A.B. Data's work in all aspects of class action administration has been perfected by decades of experience. Dedicated professionals deliver A.B. Data's all-inclusive services, working in partnership with its clients to administer their class action cases effectively, efficiently, and affordably, regardless of size or scope.

A.B. Data has administered hundreds of class action cases involving billions of dollars in total settlements. A.B. Data was among the 5,000 fastest-growing companies on the 2010 *Inc.* and 2013 *Inc.* 500|5000, an exclusive ranking of the nation's entrepreneurial businesses. We were the only class action administration company to achieve this elite standing in 2010.

Whether notifying millions of class members in the United States or throughout the world, processing millions of claims, or printing and distributing millions of checks, A.B. Data matches its talent and technology to the specific needs of its clients, delivering unparalleled service on time and on budget without ever compromising quality.

A.B. Data offers unmatched resources and capacity, and is capable of expertly administering any class action notice, settlement, and/or fund administration. We offer the highest level of security and have the in-house capacity to mail four million personalized pieces every 24 hours. The company's 170,000-square-foot mail distribution center, with its own on-site United States Postal Service (USPS) substation, is one of the nation's largest and most advanced facilities. In addition, A.B. Data has been entrusted to Magnetic Ink Character Recognition- (MICR-)print and mail more than 20 million checks in one year alone and has the capacity to print and mail 1 million checks per day.

A.B. Data has administered some of the largest and most complex class action cases in history. Our success is driven by passion for class action administration and our focus on client relationships. An intensely case-specific approach and a philosophy of respect and professionalism toward our clients and claimants guide every aspect of our work, from the presettlement phase through notice administration, claims processing, and fund distribution.

A.B. Data administers class action cases on schedule and on budget with accuracy and efficiency. Trust the extraordinary, experienced professional talent at A.B. Data, and retain our services.

## CLASS ACTION ADMINISTRATION SERVICES

### PRESETTLEMENT CONSULTATION

**A.B. Data helps its clients to prepare a stronger case.** During investigation and discovery, our electronic records management and proven procedures enable our team to quickly provide a fully interactive media package for court presentations and settlement negotiations.

By retaining A.B. Data, clients gain confidence that their case management is rock-solid from the start with

- Document analysis, organization, and conversion into an interactive media package
- Consultation on proposed plans of allocation and damages analyses by our experienced administration team and certified public accountants
- Assistance with “reach and frequency” analysis
- Consultation for designing and implementing preliminary notice programs that will withstand objections and challenges, as well as meet legal statutes and CAFA requirements
- Consultation to determine probable claim rates and settlement structures in an effort to avoid unexpected delays and additional costs that can arise when providing notice and distributing a settlement fund

### NOTICE ADMINISTRATION

**A.B. Data is an industry leader in full-service class action notice administration.** Our class action notice programs are known worldwide for their efficiency, effectiveness, affordability, and compliance with Federal Rule of Civil Procedure 23 and due process requirements. Our services include class member location; third-party outreach; and media, Internet, email, and direct-mail notice.

A.B. Data has designed and implemented some of the largest and most complicated national and international antitrust and class action notifications in the world. Globally, A.B. Data has successfully notified millions of class members throughout 137 countries in more than 80 languages. Domestically, as part of our multifaceted approach to class member location, A.B. Data is a licensee of various postal products, including NCOALink, which tracks millions of moves across the United States.

As a leading class action notice administrator, A.B. Data produces high volumes of notice documents with accuracy, speed, and quality. We print customized notice packages in a cost-efficient format that substantially improves the efficacy of the notice program.

A.B. Data’s team of attorneys, proofreaders, design specialists, and experienced Project Managers ensures that all notice packages are clear, accurate, and easy to understand. We

- Identify and locate potential class members via proprietary methods and research tools
- Design and implement synergistic media notice campaigns (online, print, radio, and television)
- Develop and implement case-specific third-party outreach campaigns
- Coordinate legal translation of notice documents
- Draft CAFA notices, identify appropriate government agencies, and disseminate CAFA notices
- Utilize a proprietary list of over 5,000 domestic and international banks, brokers, and other nominees (for securities class action cases and SEC enforcement actions)

### PUBLICATION NOTICE, PRINT MEDIA, SOCIAL MEDIA, AND DIGITAL MEDIA

**A.B. Data’s Media Notice Division** is led by Linda V. Young, a media veteran with decades of class action media notice expertise in some of the most prominent cases in the industry. As Vice President of Media, Young develops media notice plans along with Thomas R. Glenn, President; Anya Verkhovskaya, COO and Notice Expert; members of the Development Management Team; Mary Getz, Vice President, Digital Media; and Kelly Gardner, Vice President, List Services.

The Media Notice Division will also provide expertise on Rule 23, MRI-generated audience analysis, reach and frequency analysis, and direct-marketing tactics to reach unidentified class members. Under Young's leadership, the A.B. Data Media Division continues to expand the array of targeted media solutions for class action notice programs.

## **CLAIMS PROCESSING**

**A.B. Data's customized approach combines accuracy, accountability, and speed with our human touch.** Each claim is reviewed in detail and processed precisely in accordance with the court-approved plan of allocation or settlement stipulation. A.B. Data's claims-processing services include paper and electronic claims processing, with optical character recognition technology to convert claims and correspondence into electronically searchable databases.

A.B. Data's proprietary Claims Engine, created by expert software engineers in collaboration with the Claimant Services Department, offers an extremely flexible workflow engine that allows high-speed claims imaging and processing without compromising quality. The database's high level of automation allows maximum control and provides a comprehensive and accurate claims solution. The A.B. Data Claims Engine contains the following special features:

- Eligibility criteria formula, which allows automatic flagging of claimants that do not meet the established criteria
- High-speed, bar-coded claims-processing system
- Complete tracking of all claims administration-related activities
- Case-specific algorithms and formulas for the calculation of individual payments and pro rata distributions.

When processing is complete and recommendations must be made to the court for settlement distribution, A.B. Data prepares timely affidavits that are accurate, concise, supported by the required documentation, and designed to withstand legal scrutiny. A.B. Data has the in-house capacity to process millions of pages, but every process is transparent, and every claim is handled as if it were the only one.

Whether processing a claim form requires only a signature or detailed data with supporting documentation, A.B. Data's claims administration team

- Prepares affidavits and recommendations drafted by experienced class action litigators and accounting professionals
- Assures that the lead plaintiff's claim is filed timely and correctly
- Verifies claims substantiations, as well as flags deficiencies and resolutions
- Detects and rejects fraudulent, duplicate, or excluded-party claims
- Processes exclusion requests and objections within two hours of receipt
- Calculates recognized losses and individual payments
- Manages claim-related correspondence
- Audits claims processing, including quality control and quality assurance
- Provides comprehensive on-demand reporting

## **DEVELOPMENT OF DISTRIBUTION PLANS**

**A.B. Data's team of fund administration professionals** includes attorneys, certified public accountants, and certified financial analysts and auditors. They bring years of dedicated experience assisting investors with SEC enforcement actions and private securities litigations.

We have developed hundreds of distribution plans, all in accordance with applicable orders, laws, regulations, policies, and procedures. Our customized approach to every case results in timely distributions, user-friendly claims processes, and greater cost savings. Depending upon the circumstances of each action, A.B. Data works in concert with its clients to conduct relevant economic and financial analyses, develop related methodologies for loss calculation, create appropriate plans of allocation, and if applicable, generate targeted notice programs and claims processes.

## FUND DISTRIBUTION

**A.B. Data provides a full-service solution to settlement fund distribution.** Our team of certified public accountants and financial advisers expertly manages fund distribution while meeting legal, financial, and governmental requirements. We offer complete escrow services; establish qualified settlement funds; print and mail checks, vouchers, and/or coupons; electronically distribute cash or stock; and provide tax services. We also

- Establish and maintain accounts (escrow, FDIC-insured controlled distribution, or managed distribution), with daily account reconciliations and records of all distributions
- Create fund investment strategies
- Electronically transfer cash and/or common stock
- Utilize positive pay
- Securely print and mail checks (up to 1 million per day)
- Monitor outstanding and cleared checks
- Investigate and attempt to resolve issues with undelivered checks
- Provide detailed reporting, including completion of the standardized fund accounting report (SFAR)
- Offer all-inclusive tax and accounting services, including 1099 and W-2 tax reporting

## CALL CENTER

**A.B. Data's multilingual call center utilizes state-of-the-art telecommunications systems** designed to meet the specific requirements of any administration project, as well as to maximize the financial and service goals of our clients.

Our call center is managed by full-time staff well versed in the specific details of every case. Our skilled multilingual customer service representatives are trained using case-specific materials and resources and use telephone scripts written by our attorneys and approved by our clients.

Quality assurance and quality control procedures ensure the transmission of clear and accurate information to class members in a courteous and professional manner. The call center is able to handle large call volumes for notice mailing and emailing, claims administration, deficiency and rejection letter mailings, and distribution check mailings.

In addition to providing class members with superior-quality service, our customer service representatives can respond to online and email inquiries; document notice, claim form, and call-back requests; and return calls on a next-business-day basis regarding the status of an administration.

Clients may also utilize A.B. Data's advanced interactive voice response (IVR) system, which is a cost-effective way for class members to receive informational announcements, request notices and claim forms, and obtain case-specific details. Our IVR system provides toll-free telephone numbers, multilingual customer service representatives, and Teletype (TTY) for deaf and hearing-impaired individuals.

## WEBSITE SERVICES

In cases where a website is required, **A.B. Data in each instance designs, hosts, and maintains a case-specific website** via which class members have access to relevant case information and updates, key documents, and downloadable notice and claim documents. Depending upon the circumstances of the specific case, the website could include the following:

- Case status
- Responses to frequently asked questions
- Online claim forms and instructions
- Real-time claim status updates
- Case contact information

For all Web-based features, A.B. Data's system has complete functionality using the three most recent versions of industry-standard browsers. Samples of case-specific websites developed by A.B. Data can be obtained by referencing cases on our website at [abdaclassaction.com/cases/](http://abdaclassaction.com/cases/).

## SECURE ENVIRONMENT

A.B. Data's facilities provide the highest level of security and customization of security procedures, including

- A Secure Sockets Layer server
- Video monitoring
- Limited physical access to production facilities
- Lockdown mode when checks are printed
- Background checks of key employees completed prior to hire
- Frequency of police patrol – every two hours, with response time of five or fewer minutes
- Disaster recovery plan available upon request

## DATA SECURITY

A.B. Data is committed to protecting the confidentiality, integrity, and availability of information we collect from our clients, investors, and class members. We transmit, save, and process an immense quantity of electronic information on a daily basis. A.B. Data's Information Security Policy includes procedures intended to address all information-security issues for A.B. Data's divisions, departments, employees, vendors, and clients.

A.B. Data has a number of high-profile clients, including the Securities and Exchange Commission (SEC), the United States government, and the Government of Israel, direct-banking and payment-service companies for popular brands, and some of the largest credit-card issuers in the world.

A.B. Data is frequently subject to physical, logical, data, and information system security reviews and audits. We are compliant with our clients' security standards as well as with ISO/IEC 27001/2 and Payment Card Industry (PCI) data-security standards, the Gramm-Leach-Bliley Act of 1999, the National Association of Insurance Commissioners' regulations, the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and the Health Information Technology for Economic and Clinical Health Act (HITECH).

The Government of Israel has determined that A.B. Data is compliant with its rigorous security standards in connection with its work on Project HEART (Holocaust Era Asset Restitution Taskforce).

A.B. Data's fund distribution team has been audited by EisnerAmper LLP and was found compliant with class action industry standards and within 99% accuracy. EisnerAmper LLP is a full-service advisory and accounting firm and is ranked the 15<sup>th</sup>-largest accounting firm in the United States.

In addition, as part of PCI compliance requirements, A.B. Data has multiple network scans and audits from third-party companies, such as SecurityMetrics and 403 Labs, and is determined to be compliant with each of them.

## FRAUD PREVENTION AND DETECTION

A.B. Data is at the forefront of class action fraud prevention. Anya Verkhovskaya, our Partner and Chief Operating Officer, was chosen by Francis McGovern, the eminent legal practitioner and scholar at Duke University School of Law, to spearhead an industrywide task force on fraud prevention and detection.

A.B. Data maintains and utilizes comprehensive proprietary databases and procedures to detect fraud and prevent payment of allegedly fraudulent claims. We are in constant communication and collaboration with federal, state, and local law enforcement agencies in an effort to identify and prevent fraudulent claims from being paid.

We review and analyze various filing patterns across all existing cases and claims. Potential fraudulent filers are reported to our clients as well as to the appropriate governmental agencies.

## ACCOUNTABILITY AND REPORTING

A.B. Data has the expertise necessary to provide project-management services to ensure that all work is completed timely, accurately, and precisely to our clients' specifications. Upon request, we provide affidavits detailing the methodologies employed in notice administration, claims processing, and fund administration, as well as expert testimony and audit trail reporting.

A.B. Data tracks and audits every aspect of daily production with

- Receipt of files (noting any issues with transmission)
- Status reports regarding claims or check status
- Audited and confirmed record counts
- Confirmation of mailings
- Inventory counts
- Daily production counts reported on a weekly basis

Once funds are fully distributed, we provide a detailed accounting of fund sources and usage with a listing of individual disbursements. We maintain records of all disbursements to answer class member inquiries, investigate and resolve undelivered material, monitor outstanding and cleared checks, and maintain mailing and financial databases for an agreed-upon period.

## COMMUNITY AND DIVERSITY

**A.B. Data maintains employment policies that highlight and support diversity within the company** and utilizes employment programs that benefit minorities in the community. At the company's mail processing center, located in a HUBZone (Historically Underutilized Business Zone), more than half of the employees are minorities. A.B. Data continues to partner with community organizations to increase minority employment opportunities and benefits.

By participating in employment service programs, such as the Transitional Jobs Demonstration Project, A.B. Data helps to create jobs and build partnerships that improve people's lives with valued job opportunities. Operated by Policy Studies, Inc. (PSI), this important project helps to connect Milwaukee-area employers with qualified job seekers.

As part of the 30<sup>th</sup> Street Industrial Corridor, a nonprofit organization that advocates on behalf of the corridor-area community, A.B. Data works diligently to restore the economic vitality of the area, providing industry, jobs, and safety to its members, residents, and visitors.

In addition, A.B. Data's mail-processing center is located in Milwaukee's Renewal Community, a targeted area that was designated for renewal from 2002 to 2009. A.B. Data partnered with other businesses to guide and promote development that created jobs, generated wealth, and strengthened the urban environment.

A.B. Data maintains its assistance to workers in need of additional services through State of Wisconsin employment programs, such as Welfare-to-Work (WtW), so that eligible employees receive FoodShare and medical benefits as well as day-care services. Through participation in these and other available employment programs, A.B. Data continues in its commitment to enhancing people's lives by providing quality employment opportunities.

## ENVIRONMENTALLY FRIENDLY BUSINESS

**A.B. Data conserves its resources and operates as a green business.** Paper claim forms are imaged and stored on A.B. Data's secure SQL server, and all claims processing is done electronically. We emphasize the need for recycling and encourage the use of recycled products. Our policies compel employees to turn off their computers when not in use, and email communications are encouraged to the extent possible.

A.B. Data's headquarters in Milwaukee was designed with the environment in mind. Upon purchasing the 16-acre campus in September 2007, A.B. Data renovated the 30-year-old building, utilizing natural elements such as cork, bamboo, and concrete, and upgraded its mechanical and electrical systems to optimize efficiency. For its efforts, A.B. Data won the *Milwaukee Business Journal's* Real Estate Award for Best Environmentally Friendly Project.

## A.B. DATA'S LEADERSHIP

A.B. Data's administration team is composed of the following key executives, who collectively have decades of experience settling and administering class actions:

**Bruce A. Arbit, Co-Managing Director**, one of the founders of the A.B. Data Group, serves as Chairman of the Board. Additionally, Mr. Arbit is the Chairman of the United Israel Appeal and has served as President and General Campaign Chair of the Milwaukee Jewish Federation. Mr. Arbit currently serves as the Treasurer of the Jewish Telegraphic Agency and on the Boards of the Milwaukee Jewish Community Foundation and the American Joint Jewish Distribution Committee. Mr. Arbit has been a member of the Jewish Agency for Israel Board of Governors since June 2002, is a member of Jewish Agency Executives, and chairs the Committee on Israel Government Relations. Mr. Arbit has also served on the Boards of community banks for more than 25 years.

**Thomas R. Glenn, President**. Mr. Glenn's management of A.B. Data's Class Action Administration Company includes designing and implementing notice plans and settlement administration programs for antitrust, securities, and Securities and Exchange Commission settlements and SEC disgorgement fund distributions, as well as consumer, employment, insurance, and civil rights class actions. Mr. Glenn previously served as Executive Vice President at Rust Consulting and has more than 20 years of industry executive management experience.

**Anya Verkhovskaya, Partner and Chief Operating Officer**, winner of the 2011 Best Executive Stevie Award for Women in Business, has more than 16 years of experience administering class actions. Ms. Verkhovskaya has overseen the administration of hundreds of class action cases, including mortgage-related, securities, human rights, product liability, ERISA, employment, discrimination, antitrust, and consumer matters, as well as fund distributions in Securities and Exchange Commission enforcement actions. Ms. Verkhovskaya assists in managing the day-to-day operations of A.B. Data's Class Action Administration Company. In this capacity, she is a key member of a team of Project Managers, legal and accounting professionals, Claims Administrators, and other professionals that ensures the delivery of an impeccable work product and exemplary service. Additionally, Ms. Verkhovskaya was appointed by the Government of Israel as Administrative Director of the Holocaust Era Asset Restitution Taskforce.

**Eric Miller, Vice President, Case Management**, as a key member of A.B. Data's Class Action Administration Leadership Team, oversees the Case Management Department and supervises the operations and procedures of all of A.B. Data's class action administration cases. Mr. Miller is recognized in the class action administration industry as an expert on securities, SEC, consumer, product recall, product liability, general antitrust, pharmaceutical antitrust, and futures contract settlements, to name a few settlement types. Prior to joining A.B. Data, Mr. Miller served as the Client Service Director for Rust Consulting, responsible there for its securities practice area. He has more than 15 years of operations, project management, quality assurance, and training experience in the class action administration industry. In addition, Mr. Miller manages A.B. Data's office in Palm Beach Gardens, Florida.

**Linda V. Young, Vice President, Media**, oversees the Media Department and is responsible for the direction, development, and implementation of media notice plans for A.B. Data's class action clients. Prior to joining A.B. Data, Ms. Young served as the Principal of Mile Marker Zero, LLC, a full-service marketing and advertising consulting firm. She has more than 20 years of marketing, advertising, and media planning experience, managing advertising for brands such as Georgia-Pacific, American Express, Denny's, and Coca-Cola. In addition, Ms. Young has developed and implemented national and international print- and earned-media notice programs for some of the industry's leading pharmaceutical, insurance, and securities class action cases, including cases involving Premarin, Unity Life Insurance Co., and Morgan Stanley.

**Eric Schachter, Esq., Vice President**, is a member of A.B. Data's Class Action Administration Leadership Team. He has over 14 years of experience in the legal settlement administration services industry. Mr.

Schachter's responsibilities include ensuring successful implementation of claims administration services for A.B. Data's clients in accordance with settlement agreements, court orders, and service agreements. He also works closely with Project Managers to develop plans of administration to provide the highest level of effective and efficient delivery of work product. Mr. Schachter has a bachelor's degree in sociology from Syracuse University, earned his law degree at Hofstra University School of Law, and was previously an associate at Labaton Sucharow LLP in New York City.

**Paul Sauberer, Director of Quality Assurance**, is responsible for overseeing quality assurance and process management, working diligently to mitigate risk, ensure exceptional quality control, and develop seamless calculation programming. Mr. Sauberer brings more than 15 years of experience as a quality assurance specialist with a leading claims-processing company where he developed extensive knowledge in securities class action administration. He is recognized as the class action administration industry's leading expert on claims and settlement administrations of futures contracts class actions.

**Al Wichtoski, CPA, Vice President and Chief Financial Officer**, began as a Controller with A.B. Data over 20 years ago. Mr. Wichtoski rose to a number of corporate administrative and financial management positions before realizing his current role with the company. Mr. Wichtoski attained his financial management expertise through a broad range of roles, including bank liaison, Internal Revenue Service conduit, and final compliance officer for all financial accounts associated with A.B. Data. Mr. Wichtoski's responsibilities include risk management, budgeting, tax filing, statement preparation, and financial analysis.

**Kathy Versteegh, Vice President of Client Services and Marketing**, has been with A.B. Data since 1993. Ms. Versteegh is currently responsible for business-critical communications, client service operations, and marketing, in addition to serving as a Security Team and Corporate Management Team member. Ms. Versteegh has earned U.S. Postal Service and Postal Customer Council (PCC) professional certificates in Management and Leadership, Intelligent Mail, Enhancing Mail Value, Mail Center Operations, and PCC Leadership. In May 2010, Ms. Versteegh was elected the United States Postal Customer Council Co-Chair. Currently, Ms. Versteegh is serving her second term as Co-Chair. With more than 20 years of marketing services experience, Ms. Versteegh offers an outstanding track record in business/organizational development, client satisfaction, and marketing strategies that include print, Internet, mail, trade show, and other sales and marketing communications.

**Lizabeth Ludowissi, MQCCS, Vice President, Production**, is responsible for overseeing the production of all A. B. Data Group mailings and special projects. Ms. Ludowissi has experience in virtually every role in the company, which provides her with invaluable insight into the needs of our clients. During her tenure, Ms. Ludowissi has worked to streamline our Production Department, implementing strict quality controls and overseeing all scheduling and coordination, including print purchasing as well as data-processing, personalization, and mail-shop services. As a Mailpiece Quality Control Certified Specialist (MQCCS), Ms. Ludowissi acts as the company's Postal Liaison regarding all USPS-related matters. Ms. Ludowissi is a member of the Wisconsin Direct Marketing Association and the Milwaukee Postal Customer Council.

**Christina Peters-Stasiewicz, Senior Project Manager**, has 11 years of extensive experience in class action administration, administering high-volume securities litigations as well as consumer, wage and hour, antitrust, ERISA, product liability, and insurance-related matters. Ms. Peters-Stasiewicz facilitates and oversees the notice process, summary notice publication, website design and maintenance, call center management, claims processing, settlement fund allocation and disbursement, and client reporting and affidavits effectively and cost-efficiently. Ms. Peters-Stasiewicz has managed many cases with over 500,000 class members and brings the highest level of commitment and quality to each of her client engagements.

**Adam Walter, PMP, Senior Project Manager**, has more than eight years of experience managing a range of securities class action settlements and SEC disgorgements totaling more than \$3.5 billion. This includes developing case administration strategies, overseeing daily operations of case administrations, ensuring execution of client deliverables, providing case-related legal and administration support to case counsel, overseeing notice dissemination programs, implementing complex claims-processing and allocation

methodologies, establishing quality assurance and quality control procedures, and managing distribution of settlement funds. Mr. Walter frequently consults with clients in planning, reporting, and management of each unique case to ensure that all requirements and objectives are met. Mr. Walter's background as Project Manager for a leading claims administrator brings his expertise on the development of case administration strategies and service methodologies to A.B. Data's Class Action Administration Company.

**Linda Opichka, CPA, Quality Assurance Analyst**, has over a decade of experience as a broker-dealer auditor, trainer, and manager and, in 2008, passed the examination for Certified Anti-Money Laundering Specialists. Ms. Opichka is responsible for managing and performing financial analysis, reviewing plans of allocation, working with independent distribution consultants, and performing account reconciliations for fund distributions. Prior to joining A.B. Data, Ms. Opichka conducted audits for Northwestern Mutual, where she was a subject-matter expert for anti-money laundering and broker-dealer audits. Ms. Opichka was also in charge of performing financial and compliance audits for broker-dealers and futures-commission merchants at the Chicago Board of Trade.

**Eric Schultz, MCSE, Information Technology Manager and Security Team Chairperson**, has been with A.B. Data for more than 10 years, and is currently responsible for overseeing all information technology areas for all A.B. Data divisions across the United States and abroad. As a Microsoft Certified Systems Engineer (MCSE) with more than 20 years of experience in information technology systems and solutions, Mr. Schultz has developed specializations in network security, infrastructure, design/architecture, telephony, and high-availability network systems.

**Dan Deschamps, Project Manager**, since joining A.B. Data in November 2011, has handled a number of positions developing substantial knowledge regarding the administration of consumer, ERISA, and high-volume securities litigations. In his current role as Project Manager, he leads the planning and implementation of projects to meet internal and external deadlines; manages the day-to-day operational aspects of each of his assigned projects; continuously monitors and reports on the progress of his projects; and resolves any issues and solves problems with projects throughout the project life cycle. He also works closely with A.B. Data's Senior Project Managers, clients, and others on each of his assigned projects and coaches, mentors, and trains project team members. Mr. Deschamps' specialties include ERISA and complex consumer cases, but his practice areas also include SEC enforcement actions; Fair Debt Collection Practices Act (FDCPA), Telephone Consumer Protection Act (TCPA), and personal injury protection (PIP) class actions; Class Action Fairness Act (CAFA) mailings; and securities class actions. Mr. Deschamps received his paralegal certificate from Harper College, Palatine, Illinois, where he was a member of Lambda Epsilon Chi, the national honor society founded by the American Association for Paralegal Education.

**Steve Straub, Esq., Project Manager**, leads the planning and implementation of projects to meet internal and external deadlines; manages the day-to-day operational aspects of his assigned projects; continuously monitors and reports on the progress of those projects; and resolves any issues and solves problems with projects throughout each project life cycle. He works closely with A.B. Data's Senior Project Managers, clients, and others on his assigned projects and coaches, mentors, and trains project team members. Mr. Straub's experience in administering class action settlements includes securities, consumer, and antitrust settlements, with a primary focus on antitrust cases. He holds a Juris Doctor degree from Seton Hall University School of Law, Newark, New Jersey.

**Anike Keller, Business Development Director**, provides expertise in legal marketing strategies and brings extensive experience in client relations to A.B. Data's business development team. Previously, Ms. Keller served the legal industry as part of the marketing group at a major class action law firm specializing in securities and antitrust litigation. Ms. Keller's knowledge and understanding of the class action industry, as well as her client relationship skills, expand A.B. Data's capacity to effectively achieve its business development and marketing goals.

## NOTABLE NON-CLASS-ACTION ENGAGEMENTS

### **Holocaust Era Asset Restitution Taskforce (Project HEART)**

An initiative of the Government of Israel and the Jewish Agency for Israel (JAFI), Project HEART – Holocaust Era Asset Restitution Taskforce – sought to provide the tools, strategy, and information to bring about a small measure of justice to eligible heirs of Jewish victims, the victims themselves, and the Jewish people as a whole.

During its initial phase, Project HEART focused on identifying individuals in 137 countries with potential claims regarding the following types of private property for which no restitution was received after the Holocaust era: (1) private property that was located in countries that were controlled by the Nazi forces or Axis powers at any time during the Holocaust era; (2) private property that belonged to Jewish persons, as defined by Nazi/Axis racial laws; and (3) private property that was confiscated, looted, or forcibly sold by the Nazi forces or Axis powers during the Holocaust era.

### **Obama for America – 2008 and 2012**

Retained by Obama for America in 2007, A.B. Data was responsible for designing, analyzing, and directing its grassroots fundraising efforts for the presidential campaign of 2008. From February 2007 to Election Day 2008, A.B. Data's direct-marketing efforts helped to elect President Barack Obama, raising a record amount of money – almost \$108 million – via the mail from more than 700,000 donors. As a result, A.B. Data was reappointed to lead President Obama's 2012 direct-marketing campaign in his attempt to gain reelection. As the sole administrator of the direct-marketing campaign for Obama for America 2012, A.B. Data designed, printed, and mailed each direct-marketing piece to raise money and awareness about President Obama's candidacy and efforts for reelection in 2012. A.B. Data's effort shattered all previous records, raising more than \$147 million through the mail from almost 875,000 individual donors.

### **Doctors Without Borders/Médecins Sans Frontières**

In 2009, A.B. Data was chosen to manage all facets of the direct-mail program for Doctors Without Borders/Médecins Sans Frontières (MSF). MSF is one of the most respected organizations in the world, having won the 1999 Nobel Peace Prize for its emergency medical humanitarian response to people around the world caught in armed conflict or suffering from epidemics, malnutrition, and natural disasters without access to health care. MSF is known for its fierce independence and its refusal to “look the other way” when a crisis is caused by the failure of a government, either through passive or aggressive actions. MSF raises \$84 million a year through its direct-marketing program, and it mails 17 million prospect pieces annually. MSF's house file consists of 465,000 12-month donors and about 800,000 lapsed donors – and it has 38,000 monthly donors. MSF's total house-file volume is 11 million a year.

### **Holocaust Victim Assets Litigation (Swiss Banks) – \$1.25-billion settlement**

As a court-appointed notice administrator for this litigation, A.B. Data played a key role in a worldwide Phase I notice effort that resulted in the processing of more than 500,000 initial questionnaires. In Phase III of the administration, A.B. Data delivered notice to more than 10,000 Jewish communities in 109 countries and administered international help and call centers in Phases I and III that directly assisted more than 100,000 potential claimants.

A.B. Data created a class-appropriate notice targeting Romanians (Gypsies) in 48 countries and directed hundreds of staff members to communicate orally and directly with Romani communities and individuals. A.B. Data notified more than 2 million people and, as designated by the International Organization for Migration (IOM), directly assisted more than 22,000 Romanians in 17 countries of central and eastern Europe with claim completion.

## German Forced Labour Compensation Programme (GFLCP)

As designated by the IOM, A.B. Data located more than 43,000 Romani survivors in 17 countries of central and eastern Europe who were potentially eligible for humanitarian aid. A.B. Data created a comprehensive database for the GFLCP and the Holocaust Victim Assets Litigation and directly assisted more than 11,000 Romanians in eight central and eastern European countries with claim completion.

## The Wilderness Society

In 2012, A.B. Data was chosen to oversee and implement all facets of the direct mail and online fundraising programs for The Wilderness Society.

The Wilderness Society – with 500,000 members and supporters – is the leading American conservation organization working to protect our nation’s beautiful wildlands. Since 1945, it has been at the forefront of nearly every major public lands battle, and its collaborative style and focus on practical solutions have saved some of our most beloved natural treasures from destruction.
